

Male Disposal Unit

B Hygienic's male disposal unit offers a discrete solution for waste.

You can dispose of incontinence products, stoma/colostomy related items in this unit.

If you are a stoma user or suffer with incontinence then you need facilities in a washroom. The disposal unit is key to this, to prevent embarrassment and maintain your dignity.

Our unit is offered as part of a complete liner exchange service. Our operatives will service and clean the bins at a frequency of your choosing.

- **Pedal operated unit to prevent the spread of germs between users**
- **Cleaned with Sanitiser to combat bacteria**
- **23 litre unit - 54cm x 55cm**
